# 2020 DATEntre Tohoku Innovation Human Resources Development Program

## 7th Semester Students (October Entrants)
## Student Application Requirements

1. Purpose
This program aspires to achieve high-level, innovative, and work-ready human resources through the study of business Japanese, training in career development and problem solving, and internships. We also seek to aid the Japanese proficiency of international students and their understanding of Japan's work culture. We support outstanding international students from Tohoku Gakuin University, Tohoku Industrial University, Miyagi Gakuin Women's University, Tohoku fukushi University and Tohoku University who seek employment at Japanese companies in the Tohoku region and across Japan.

2. Program Features and Number of Positions
(1) Features
DATEntre program include thorough Japanese educational programs on business Japanese, adjusted to each student's command of Japanese, as well as participation in PBL (problem-based learning) Coeducation Projects with Japanese students and internships with corporations in Miyagi Prefecture.

(2) Number of Positions: 30 members

3. Qualifications
(1) You must be a bachelor or graduate student of one of the universities that are a part of the Tohoku Innovation Human Resource Development Consortium (Tohoku Gakuin University, Tohoku Industrial University, Tohoku University, Miyagi Gakuin Women's University, and Tohoku Fukushi University), including students that will enter one of the aforementioned schools from October of 2020.

(2) You received a score of 65 or higher on the online Japanese proficiency test, SPOT90 (Simple Performance-Oriented Test Ver. 90). Applicants must take the test set "SPOT90 + Grammar90 + Kanji50" in advance. See http://ttbj1.cegloc.tsukuba.ac.jp/apply/agree/
